

Post Qualification Poolside Duties Recording or Records

Following confirmation as a qualified J1 official there should be a period of settlement for you to adjust and make the transition from trainee to qualified official. During this time you will gain more experience and confidence and will be working independently and less under the guidance of a Mentor.

British Swimming believes that during this period of 10 sessions you should continue to complete the poolside assessment forms to ensure that everything is progressing properly and that you continue to demonstrate development.

The completion and documentation of these 10 sessions is therefore very important and shall not be ignored or skipped but their completion will not prevent you from applying for or attending a J2 course. However you will need to complete these 10 post J1 confirmation poolside sessions before you complete the J2 poolside sessions and before you can be confirmed as having passed your J2 course.
